

OFFERING A MASS IS A MEANINGFUL PART OF OUR CATHOLIC TRADITION:

The Mass book for 2022 will be available on November 1, 2021. Please note the following changes in requesting a Mass. The following guidelines are meant to make the process of requesting an intention easy and fair to all parishioners.

Here are the guidelines:

- You may submit your Mass requests by email or drop it off in person to the parish office.
- We will accept up to 5 Masses per registered household. Of those, one may be for a Sunday Mass (including Saturday anticipated), and four for weekday Masses, and in the case of Latin Masses 5 weekday Masses since there are no Mass intentions permitted for Sunday Masses.
- A \$20 stipend, as determined by archdiocesan policy, is requested for each Mass intention.
- On April 1st 2022, parishioners may book 5 additional Masses per registered household for a total of 10 Masses per calendar year
